- D. A grade transcript indicating the student's present grade average in high school is required, along with a statement from the school advisor indicating that the student should graduate.
- E. The student **MUST** include the names of all Colleges and/or Technical Schools, they have or will be applying to.
- F. Enclose a brief essay of 200 words or less telling about yourself, your family, your accomplishments, your goals, and your immediate plans for continuing education.
